

# ECUADOR 2006

26<sup>th</sup> February – Riobamba – Alausi

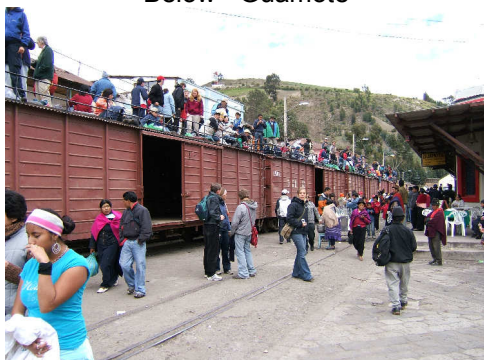

Above - Bagging our seat on the train roof at an unearthly hour in the morning  
Right – On the train roof at Riobamba station

One of the original steam trains is on display as you pull out of Riobamba  
Below - Two of the local kids

Right – The railway runs straight through the middle of the market in the main street of Guamote  
Below - Guamote

Left – local woman in traditional dress

Right – the first derailment

Below left – waiting for the train to be jacked back onto the tracks

Below right - The second derailment just outside Alausi

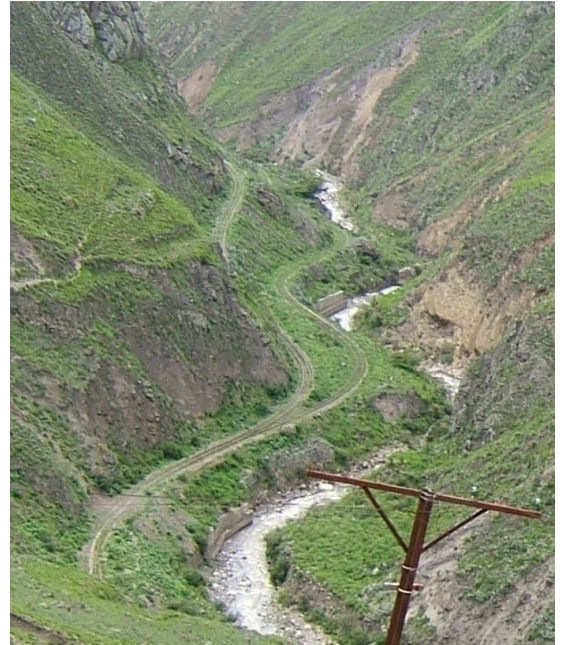

Above – views of the Nariz del Diabolo,

where the line zigzags down the side of the mountain

Right and below – views of the Nariz del Diabolo, where the line zigzags down the side of the mountain.

## Ingapirca Ruins

View across the site to the Sun Temple  
Right – In front of the Sun Temple

The Sun Temple
